SWEET POTATO WHITE

White-skinned sweet potatoes, while less common than their orange counterparts, have a mildly sweet flavor and starchy texture. They are often creamier and less intense in sweetness, making them perfect for both savory and slightly sweet dishes. White sweet potatoes are rich in fiber, vitamins, and minerals, making them a nutritious addition to meals.

- **Weight : 130g to 200g**

SPR002

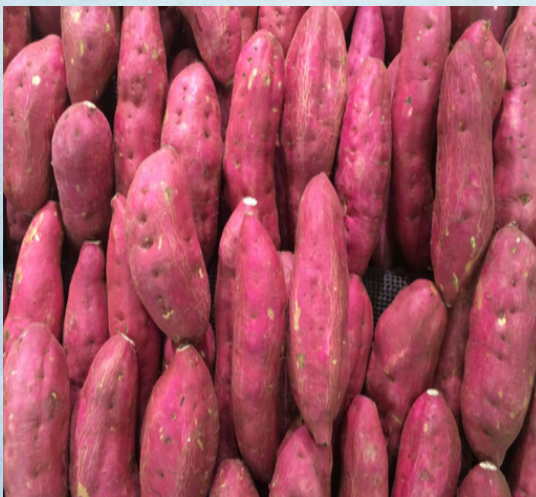

SWEET POTATO REDDISH

Red sweet potatoes feature a vibrant reddish-purple skin and commonly possess a deep orange, creamy flesh, though some varieties may have pale flesh. They are highly nutritious, boasting high levels of anthocyanins, beta-carotene, fiber, and vitamins A and C. Known for a sweet, earthy flavor, they are ideal for roasting, baking, and stews.

- **Weight : 150g to over 220g**

SPR003

SWEET POTATO RED

Sweet potatoes with red skin are a delicious and nutritious root vegetable. Known for their naturally sweet flavor and vibrant color, they are packed with vitamins and minerals. Sweet potatoes can be used in various culinary applications, ranging from savory dishes to desserts, making them a versatile ingredient in many cuisines.

- **Weight : 150g to over 220g**
